How to Fit an English Bridle

Artists Spotlight: Danielle Feldman
The Creation of Cerbero

Still Water Valley Studios & Heel Kickin' Creations:

Introducing TiptoeLena, a traditional sized cutting horse mare. She measures 5" high and 11" long from nose to tail tip. Great for cutting setups, bad trail horse, rolling and maybe even bucking set-ups. She is sold unpainted and is available now to purchase.

Below is a picture of a TiptoeLena & Cud performance setup.

Cud (pictured below) is the perfect addition to performance cutting setups. He is a traditional scale calf, who is available unpainted.

For more details please visit: www.stillvalleystudios.com or email: bluaffies@montana.net

Painted Ponies

Eight New Painted Ponies have been announced and people who have been

given a sneak preview of these horses are called it the "most exciting release yet". The new ponies are: Native Peoples Pony (Picture 1), Woodland Hunter (Picture 2), Gift Horse (Picture 3), Fetish Pony (Picture 4), Horsepower to Burn (Picture 5), The Magician (Picture 6), Year of the Horse (Picture 7) and Silver Lining (Picture 8). Each Painted Pony is Classic Scale (6 inches tall) and is made from either resin or porcelain. All the models are shipping now and prices start at \$33.99. For updates & further details, please visit: www.trailofpaintedponies.com or call 1-800-520-6030 (USA). These models are confirmed only available to US stockists at the moment.

Horsing Around

Horsing Around have released Brandus, a Friesian Stallion original sculpture by Gundrun Schmidt. He measures 10.5" inches tall and is cast in polyurethane resin with wire reinforced legs for added strength. He is limited to 75pcs and is priced at: £102 (\$173). The famous "War Chant" by Kathy Bogucki has also been released in fine bone china and is available in four different colours, at £316 (\$537) each. For more details, please Horsing Aroun's website at: www.horsingaround.com or email: sales@horsingaround.com
